**Requirement Reminder:** (In addition to the Women's Studies Seminar that is taught once an academic year.) Successfully complete three additional 3.0 unit courses (total of 9.0 units) at the GTU or UC Berkeley in which the experiences of women, women-centered theologies, or feminist theories form a significant component. Two of these courses must also emphasize religious studies or theology. Special reading courses that cover these topics may also be counted toward the certificate. Course requirements should be tailored to the student's degree level. A course may also be acceptable if the student's final paper/project is on a gender topic. If a student decides to take advantage of this option, she/he has to submit the paper with their requirements checklist.
